Prize-money Allocations:-

Overall prizes will be awarded to riders in each division accruing the lowest aggregate points.

Points for each STAGE will be awarded on the following basis:

1st 1 point; 2nd 2 pts; 3rd 3 pts; 4th 4pts; 5th 5 pts; 6th 6pts, increasing by one for each additional placing. In the case of tied positions the result of the final stage will take precedence in determining the final overall position.

Note: Riders have to complete ALL STAGES to gain overall points. Riders are recommended to carry a spare tube in the road races and the time trial. In exceptional circumstances, the referee may allow a rider to continue in the competition if unable to finish a stage. In the criteriums, two laps out will be allowed in the case of mechanical problems, but a rider will not be allowed back in during the final 2 laps, though will be deemed to have finished.

Season Club Points Competition prizes will be awarded for the overall positions only.
