

WCMCC COVID-19 Safety Requirements

Now that we're in Phase 4 (woo hoo!), in order to keep safe, stay coronavirus-free and follow the WCMCC COVID-19 Safety Requirements, all riders please note the following:

General Stuff

- Comply with the WCMCC COVID-19 Safety Plan
- Maintain physical distancing (1.5m or the length of a bike) as much as possible
- We recommend that you download and activate the COVIDSafe App (iPhone users that means you)
- If you're not feeling well, stay at home and go and see your GP. We are not in Victoria.

Payments

You have a couple of options:

1. *Bank transfer:*

West Coast Masters Cycling Council Inc.

BSB: 016-341

Account: 204543795

Ref.: your name

Amount: \$20 rego fee + \$5 transponder hire - if required

We'd (i.e. the treasurer) would be really happy if you pay by Thursday before at the latest, but if the weather is looking dodgy and you want to wait, that's fine (just don't tell the treasurer I told you that). We can't offer any refunds, so you'll need to be sure you're going to race.

NB: online payments do NOT mean that you have registered. You'll still need to go and see the friendly rego team on the day to collect your number anyway. Bring a copy of your receipt to show. No receipt and you'll have to pay again.

2. *Cash*

Exact amount preferred please.

Registrations

- Use hand sanitiser when you get to the rego desk
- Collect your own number and transponder, if required

Start Line

- Line up between the coloured cones that match your grade (e.g. red number = red cone)
- Grades will be separated by at least 20 m

Toilet

- Please use, do not go in a bush/behind a tree etc. It really upsets the locals and quite frankly is disgusting
- Maintain physical distancing while queuing (remember 1.5m or the length of a bike)
- Use hand sanitiser and wipes (provided) before and after use (that means you – WASH YOUR HANDS!)

During and After the Race

- If you need to blow your nose, cough spit etc. go to the back of the bunch and do it there. They'll wait for you 😊
- No high-5's, handshakes, hugs or touching each other, avoiding all physical contact. It can wait
